

HEXMAT **Molekula**

## User Manual

Thank you for purchasing our product!

We would like to be sure the product will serve you as long as it is possible.

Here we have a few advise for you:

Always stop the turntable before installing or removing the Molekula!

Please do not worry if the Molekula is a bit tight, it is flexible and will not break or get damaged.

Simply place the Molekula onto the spindle and press it down in the middle with your fingers till it stops!

Do not twist or turn around when placing it onto or removing from the record!

When you wish to remove the Molekula, please stop the turntable and lift the product from its sides. After a few usage it will be easier to install and remove the Molekula clamp!
